April 17, 2020

Dear Parent/Guardian of the Class of 2020,

I hope that this correspondence finds you and your family happy and healthy as the shelter in place order continues. I am sure that your child is concerned with the end of the year activities that every Senior looks forward to. Let me assure you that the Board of Education and the DHS administration share this concern. Much of the decision making is beyond our control as the Governor and Department of Health guide us.

To that end, Graduation is a rite of passage that every student deserves to experience. In Delran, we have a certain number of traditions that make it a special place. Homecoming, Pep rally, and Graduation are among them.

The Class of 2020 deserves a proper graduation held in the stadium with all the pomp and circumstance that every class before them has had.

Our first preference, depending on the guidance set forth by the Governor, is to have a ceremony as scheduled on June 19, 2020. However, given the possibility that a ceremony on that date is not feasible, we would like to gather your thoughts on possible alternatives to consider.

[HERE](#) is a survey regarding alternative arrangements to a June 19, 2020 ceremony, should that become necessary to consider. We will accept responses until April 23rd. We appreciate your understanding and look forward to an amazing event!

In addition to your opinion, we would like to hear the opinions of your child as well. The Senior Class has set up a Google Classroom where we have prepared a survey for them as well. The classroom code to sign-up for the group is **tfip5qu**.

We thank you for your support as we traverse this unprecedented path and look forward to sharing this event with you and the Class of 2020! If you have any questions, please reach out to me at any time.

With Bear Pride and Spirit,

Daniel S. Finkle
Principal
