CURRICULUM/BUSINESS

The Board discussed the requirements set forth in the LGBTQ legislation. This is an item that has created community discussion and the District will remain compliant with the law. The Board also awarded bids to complete the security vestibule construction at DMS and DHS. The Board also approved a needs assessment as required in the three year comprehensive equity plan.

BOARD TRAINING

The Board completed training in the following areas:

- NJDOE Monitoring
- School Safety
- Robert's Rules

The Board has earned *Master Board Certification* through its efforts to become more educated in important areas of education and Board membership.

PRESENTATIONS

The Board engaged in a training session with the New Jersey School Boards Association titled 13 Common Mistakes Made by Board Members.

There was discussion about an analysis of Board member conflicts and how to proceed in certain matters.

Delran High School previewed the upcoming *Seussical* for the public to great fanfare!

There was a promotional video shared with the community regarding the FAB Lab at DHS.

BOARD DISCUSSION

The Board discussed the 2019-2020 budget and an upcoming retreat for the public. The Board also discussed the DHS and DMS security vestibule projects and their estimated completion. The Board discussed the 2019-2020 and 2020-2021 district calendar process.

The Board discussed the Harassment, Intimidation and Bullying information from District schools, with particular emphasis at the middle school level. The Board also discussed how impressive the Geography Bee winners at DIS were.
