

DELTRAN TOWNSHIP SCHOOL DISTRICT

52 Hartford Rd., Delran NJ, 08075

"dedicated to nurturing a supportive, student-centered environment where all people are treated with dignity and respect"

September 24, 2020

Good Afternoon Delran Intermediate School Parents and Guardians,

I am writing to advise all parents that Delran Intermediate School will reopen its doors tomorrow morning, September 25, to welcome the Rancocas Cohort to its classes as scheduled.

During the day today the District custodial team continued its work at addressing all surfaces, furniture, walls, restrooms and common areas.

Additionally, Mrs. Hickson and Nurse LeBon worked closely with the New Jersey Department of Health in order to determine who from the Delaware Cohort required quarantine due to an exposure to a Covid positive individual. Any impacted Delaware Cohort families would have been contacted at this point. If you have not been contacted at this point it means your child was not at risk of exposure.

If your child's teacher was exposed to a Covid positive individual you will receive an email from Mrs. Hickson this evening.

It is important to note that this particular matter was not a situation of "in school transmission." Rather, this was a matter of community transmission.

Thank you for your attention to these matters and, as always, please continue to be vigilant in all areas of personal health in order to ensure the public health here in Delran Township Public Schools.

Sincerely,

Brian Brotschul, Ed. D.
Superintendent of Schools
