"dedicated to nurturing a supportive, student-centered environment where all people are treated with dignity and respect"

October 9, 2020

Dear Parents and Guardians,

I am writing to resolve the matters at Delran Intermediate School regarding the cautionary quarantine of two classrooms.

Delran Intermediate School placed two classrooms on quarantine pending test results for a "close contact" of a COVID-19 positive family member. In both instances, both matters were confirmed by the Burlington County Department of Health to be positive COVID-19 cases due to family transmission.

All families from impacted classrooms have been advised through the administration and/or nursing staff that their children will remain in quarantine for the Rancocas Cohort of students through October 16, 2020.

Sincerely,

Brian Brotschul, Ed. D.
Superintendent of Schools
