

DELTRAN TOWNSHIP SCHOOL DISTRICT

52 Hartford Rd., Delran NJ, 08075

"dedicated to nurturing a supportive, student-centered environment where all people are treated with dignity and respect"

October 29, 2020

Dear Parents and Guardians,

I am writing to advise that this evening we became aware of three COVID positive individuals at Delran High School.

Through the contact tracing process, all impacted individuals have been advised through the administration, nursing staff or the Burlington County Department of Health if they are required to quarantine.

All cases materialized during the most recent shutdown of Delran High School; not after the subsequent return to in person instruction on October 26, 2020. As a result, the high school will remain open as there was no opportunity of further community spread or in school transmission.

Academic and extracurricular activities will remain operational.

In view of the matters described above I'll take this opportunity to express the need to be vigilant at practicing social distancing, hand washing and limiting indoor gatherings - especially this weekend over Halloween and next week during the shortened week. Your efforts now will allow us to continue our in school programming.

Sincerely,

Brian Brotschul, Ed. D.
Superintendent of Schools
