"dedicated to nurturing a supportive, student-centered environment where all people are treated with dignity and respect"

November 10, 2020

Dear Parents and Guardians,

I am writing to advise that Delran Middle School reported four individuals that tested positive for COVID-19.

The contact tracing process has commenced and all impacted individuals are being advised through the administration, nursing staff or the Burlington County Department of Health if they are required to quarantine.

In examining these matters, the cases that originated from these individuals do not represent in school transmission and took place while District schools were either on remote instruction or closed due to staff in service last week. Subsequently, the academic program at Delran Middle School will remain intact with its hybrid, in-person model.

In the meantime, I'd ask that you remain vigilant at practicing social distancing, hand washing, gathering indoors and any other behaviors that may increase risk of further transmission of the COVID-19.

Sincerely,

Brian Brotschul, Ed. D.  
Superintendent of Schools
